Mr. Charles F. Lummis,

Los Angeles, Cal.

Dear Sir:

I thank you very much for your kind answer to my question. I am almost ashamed that I troubled you, but I do like first-hand information.

I am delighted to hear about the new books, and as soon as I find a little time, I am going to ask a friend or two to join me in sending for the song book, and for myself I certainly want the book coming out next fall. If I might have a card about the time of publication I should be grateful.

With thanks and best wishes, I am

Sincerely yours,

Frances M. Staples.
